TFI Local Link Kildare - Door to Door Service - Wednesday AM to Naas Town Centre (Vista Clinic)

My name is Fiona Conlan and I work with TFI Local Link Kildare South Dublin Bus Services, based in the Kildare County Council Offices in Devoy Park, Naas.

We provide a number of "door-to-door" services (DRT – Demand Responsive Transport) throughout County Kildare, primarily supporting older members of the community and anyone who does not have easy access to public transport. This service is often referred to as the "Vista Bus", as the final destination is the Vista Warfarin Clinic in Naas. We currently have seats available on this service and I am wondering if your Office may be aware of any local residents who could benefit from it. To determine eligibility for our door-to-door services, individuals simply contact our office on **045 980 281** and provide their Eircode.

We then confirm whether they

fall within the service travel zone and, if eligible, (Free Travel Pass/Disability Pass) We then arrange with the Bus Operator to collect them from their home on the next available Wednesday service. Seats generally need to be pre-booked at least 24 hours in advance.

We are currently working closely with Age Friendly Ireland (Carmel Cashin) to better understand and respond to the needs of local residents who may require assistance travelling to shops, the post office, bank, GP appointments, or simply to meet friends or family for a cup of coffee.
