The Season of Creation

The Season of Creation has a special significance for the Catholic Church, particularly since Pope Francis established 1 September as an annual World Day of Prayer for the Care of Creation. The Season of Creation is marked throughout the Christian world from 1 September to 4 October (Feast of Saint Francis of Assisi) and celebrates the joy of creation as well as encouraging awareness-raising initiatives to protect the natural environment. The theme for the Season of Creation 2022 is "Listen to the Voice of Creation".

The Season of Creation calls us to listen to the voice of creation, to the voices of those who suffer the impacts of climate change, to the voices of those who hold generational wisdom about how to live gratefully within the limits of the land. These are voices of the Earth. The global Christian family is called to awaken to the urgent need to heal our relationships with creation and with each other and to encourage our parish communities to do the same, "for we know that things can

change!" (Laudato Si', 13). Find out more about the season and resources for use in home and parish at www.kandle.ie or www.catholicbishops.ie

Why study the Catechism?

To get a brief authoritative overall statement of the whole of our Catholic Faith. Liturgical or biblical studies do not fully explain the social teaching of the Church, for instance, or help us to understand what exactly the Church is (20 pages in the Catechism.)

Based largely on the documents of Vatican II *The Catechism of the Catholic Church* show faith and reason linked in a wonderful network.

Weekly Meetings resume on September 8th at 10-30 am in Prosperous Parish centre. There is no charge and all are welcome.
