Prayer for expectant mothers.

Dear Father, giver of life, lover of humanity I bless you for sharing with us the joy of creating new life. I thank you for the frail but eager human life that is blossoming in the (my) womb. Fill them (me) with your peace and security during these months of closeness. Give them (me) courage and joy and strength so that every beat of their (my) heart may speak welcome and delight to this vulnerable little person who is bone of my bone and flesh of my flesh. Keep them (us) both safe in your love now and at the moment of birth, so that the (my) child may be a healthy child who will live in love and serve you through a long life.

Jesus, Mary and Joseph be close to the mother (me) and the (my) child. Angel of God, watch over them (us) and keep them (us) safe from all harm. AMEN.
