Parish Pastoral Group

We need to form a parish pastoral group in order to address the present pastoral needs of our

faith community and to plan for the future needs. It is recommended that every parish form a pastoral group and many have a well established group. A small group will suffice, at least for the time being. We already have a finance group as is required of every parish. If you have an interest in coming on board our pastoral group, please let me know or contact the parish office during the week ahead. *Fr. John*
